

City of Los Angeles Office of the City Clerk Neighborhood Council Funding Program

Neighborhood Purposes Grants

Neighborhood Purposes Grants (NPGs) provide NCs opportunities to develop partnerships with local 501(c)(3) nonprofits and public schools to build community and enhance neighborhoods in the City of Los Angeles. Projects and activities supported by NPGs vary widely and can include, but are not limited to:

- The Arts
- Beautification
- Community Support
- Education
- Community Improvements

NPG-funded projects and activities must be for a *public benefit* and purpose, **open**, *accessible*, and *free of charge* to stakeholders.

Grants approved by NCs exceeding \$5,000 involve further review and possible City contract by the Office of the City Clerk.

Visit the NC Funding Program website page on NPGs (click here) to find out more details about how 501(c)(3) nonprofits and public schools serving NC areas can apply. There are two NPG Information Packets; One for prospective applicants to help guide them in the application process, and one for NC board members outlining considerations and factors to keep in mind while evaluating NPG requests.

A "Project Completion Report" template is also provided to help ensure accountability in the use of Grant funds and help demonstrate how NCs and their partners are supporting L.A. communities and stakeholders. NCs and NPG recipients are strongly encouraged to work together to complete and submit the Report at the conclusion of the project.

Any questions you may have with the NPG process, please contact us at the NC Funding Program:

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

The purpose of the grant is to purchase much needed equipment for the baseball/softball teams in the league. We intent to buy baseball bats, balls, catcher's equipment and umpire equipment. The young players will directly benefit from this equipment to play baseball/softball.

5) How will this grant be used to primarily support or serve a public purpose and benefit the public at-large. (Grants cannot be used as rewards or prizes for individuals)

The grant will be used directly to benefit players. It supports the community at-large because it keeps youth involved in a positive playing environment away from negative influences, gangs, and drugs. The league belongs to the community. It is a place for families and players to come together and build positive relations, have fun and promote the physical, social and emotional well-being of our children. When children are safe and doing well, the community is healthy.
